Cause

Charge Number

Violation

One

There is probable cause to believe that Dustin Laster violated mandatory condition number three that states, in part, he must refrain from any unlawful use of a controlled substance.

On June 8, 2023, during a home visit Mr. Laster submitted a urinalysis test that yielded positive results for methamphetamine, amphetamine, and fentanyl. Mr. Laster admitted to using and signed an admission form. Evidence to support this is an admission form signed by Mr. Laster dated June 8, 2023.

On August 14, 2023, Mr. Laster submitted a urinalysis test that upon return from the lab yielded positive results for fentanyl. Evidence to support this is Abbott Drug Test Report with specimen ID number B04906331.

On August 29, 2023, Mr. Laster submitted a urinalysis test that upon return from the lab yielded positive results for fentanyl/norfentanyl. Evidence to support this is Abbott Drug Test Report with specimen ID number B04906327.

Action Taken and Reason

U.S. Probation respectfully recommends the Court take Judicial Notice of the above noted violation and allow the probation office to continue to work with Mr. Laster. He is currently receiving mental health treatment where he is addressing substance use issues and is enrolled in random urinalysis testing. Any further violations will be promptly reported to the Court.
